A very good morning to you Swaffham Town Council.

I thought I would get in touch with a really quick email, to see if you might be able to help or steer me in the right direction ?

I'm currently working in association with the Charity Scope, helping to find new locations for, and to further expand their network of textile recycling banks and I thought I would get in touch with you to explore the opportunity of possibly finding new locations in Swaffham for the public to donate their old clothes, to help support and raise funds for Scope.

The Textile Banks help to raise awareness and to provide a much needed source of income towards ongoing projects which help to make this country a place where disabled people have the same opportunities as everyone else, whilst also helping to reduce landfill and increase the availability of textile recycling facilities for the local residents.

I wondered if you may have any ideas or suggestions on possible suitable locations in Swaffham ? Hoping that you may be able to help ??

I look forward to hearing from you ..

With kindest regards and best wishes,

Dave Rayner ...
