Subject: Breckland Landscape & Settlement Character Assessment Stakeholder Workshop - 23 February

Good Morning,

Breckland Landscape and Settlement Character Assessment Stakeholder Workshop

Breckland District Council are preparing a Landscape and Settlement Character Assessment for Breckland in order to inform a Design Guide which can be developed to help shape and inform future design of development within the district.

This work will form part of the evidence base as described in the National Model Design Code for a Supplementary Planning Document Breckland District Design Guide as well as the Local Plan review. Input from Breckland communities is essential to the success of this piece of work and following on from the responses to a survey in November, Breckland District Council would like to invite you to a workshop to review the Character Assessment.

There are two workshops which will be held online on the **23rd February 2022** at **2pm** and **6pm** and these will be run by the consultants Tibbalds Urban Design Consultants and Land Use Consultants.

Please could you rsvp with your name, village/parish/town/interest, which event you will be attending to planningpolicy@breckland.gov.org. This information will help us to arrange relevant groups and ensure we have sufficient facilitators to help during the day.
