Hi Georgie,

I have included you on the agenda for the meeting on 12th June, next Wednesday. The meeting starts at 6.30pm at the Town Hall and we have a 15 minute public forum at the beginning of the meeting, you will be fairly high up the agenda so that you wont have to sit through the whole meeting. It is a very busy agenda, so if we work on the basis of a 10 minute Q&A session with the Council, it would be appreciated. See you next week.

Best regards,

Richard Bishop

Hi Georgie,

I will talk to the Mayor Cllr Jill Skinner on Monday morning when we next meet. As you will be aware we have just had a change of Council following the elections a fortnight ago, so it will be a busy time over the coming weeks. Our next Council meeting is on Wednesday 12th June, I can see no reason why you could not have a slot on the agenda, so if you pencil in this date and I will confirm this with the Mayor and let you know in due course.

If you are requesting a grant from the Council I have attached our Grants Policy for your information. The Finance Committee next meet on 22nd July, this is where any request for a grant would be decided upon, and I would need any supporting information one week prior to that meeting.

Best regards,

Richard Bishop

Subject: heating

hi richard

please can you make a spot for me to come and talk to the councillors, concerning the problems i am having with the heating at the merle boddy centre ,i would be very grateful if this could be sooner rather than later ,as it is an important problem and needs addressing .

many thanks
georgie
