Dear Richard

**Development at Norwich Road, Swaffham.
By: BDW Cambridgeshire.**

The County Council will not accept responsibility for street lighting on this estate as it is considered that there is no highway need.

If your Council requires lighting and wishes to accept its future responsibility then it must be to a footway lighting standard, (Where no street lamp is mounted above 13 feet (3.9 metres) or where no street lamp is mounted more than 20 feet (6 metres) above ground level and there is at least one interval of more than 50 yards (45.75 metres)) between adjacent street lamps in the system) but the actual positions and equipment used is your Council's decision subject to the County Council's approval as Highway Authority.

Would you please complete the attached form and return it to me in order that I may know your Council's requirements.

Yours sincerely
