Hi Richard,

Yes we like to put forward a proposal as follows:

The council have previously agreed to permit the use of the toilet block in the shambles, for use as a youth project.

To move this forward, we propose to provide a basic facility by the beginning of the summer holidays 2022, aimed at young people aged 11-17.

We're yet to secure funding but would like to ask the council to support this project, with an investment of £1000 to begin work and secure more funding.

As we discussed Kurt you have to start somewhere otherwise we simply go around in circles, so, let's put the proposal under pressure and see what we can deliver.

Best regards.

That sounds like the logical thing to happen Ian.

I have a suspicion that the first question from the council will be funding, currently we have zero but we do have a sub plan to engage local business and tradesman to get the site to a standard to open.

Fingers crossed

Just an aside - I thought that one reason for restricted access to the Toilet Block, was the use of the space for equipment storage.

However, since then, Council has agreed that the Cemetery Chapel shall become storage space. So, presumably, the Toilet Block could be cleared out with excess materials being removed to the Chapel.

Ian

Hi Nayna,

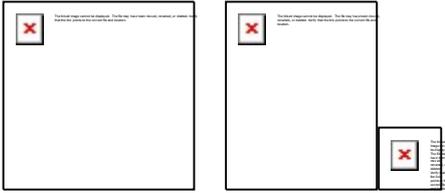

Thanks for your e-mail. This is timely, as I am now preparing the Agenda for the Full Council meeting next Wednesday 13<sup>th</sup> April, can you just confirm if you are ready to put your proposal to the Council or do you need a little longer? If you are ready, have you any details you want to circulate in advance of the meeting or do you just want to put your proposal verbally?

If you could let me know by close of business on Wednesday – thanks.

Best regards,

Richard Bishop

**Subject:** Youth Project

Hi Richard,

Today myself, Kurt and Graham held an informal with a lovely lady called Laura Colvin.

Laura is a Swaffham resident who has an extensive background in childcare and working with a broad range of children from all walks of life.

She has some wonderful ideas to assist with our 'Youth Project' ambitions.

We'd like to take before the council the possibility of using the old toilet block as an interim measure to house the youth club.

With the final location potentially being housed in a fabricated unit on the rec.

We believe using the old toilet block initially, could enable us to be up and running in time for the 6 weeks summer holiday, however there's still a lot of areas to iron out (funding ect).

Could we please have access again to a key for everyone to review the toilet block space? I know there was a spare key which I recently returned to the office.

I've copied Laura into this email for her records.

Kind regards

Nayna
