Subject: Swaffham Scarecrow Scavenge

Further to your email yesterday Richard, I'd like to ask for the Scarecrow Scavenge to be put on the agenda for January's Full Council Meeting. I would also like further details published in the February Newsletter so that people are aware of the process they should follow if they wish to enter a scarecrow or just follow the trail and choose their favourite scarecrows.

Information about the Scarecrow Scavenge is below.

Theme= Covid Heros.

Date of competition= Half Term 15-19th February 2021

Swaffham Town Council invites residents to construct and display a scarecrow to represent and celebrate those key workers who have supported the Town during lock down. Your scarecrow could be anything from an NHS worker to a delivery driver, let your imagination run riot!

Your scarecrow should be displayed in your front garden or, if you have no garden, in your front window. Make sure people will be able to see your scarecrow in all his/her glory from the road or pavement.

Your scarecrow should be in place by Saturday 13th February and remain for a 7 day period, until Sunday 21st February.

To enter your scarecrow in the Scarecrow Scavenge you must email the following information to Swaffham Town Council by MONDAY 8th FEBRUARY:(Richard/Sue please include the email address you would like residents to use)

1. A picture of your scarecrow.
2. The name of your scarecrow.
3. Your name, address and contact details (Swaffham residents only, please!)

The locations of the scarecrows will be compiled onto a form and each scarecrow will have a map reference number. There will be an accompanying map of Swaffham with the location of the scarecrows indicated upon it. The map and form will be posted on Swaffham Town Councils facebook and twitter pages in time for the half term break, so please get your entries in promptly.

Families can scavenge Swaffham for the scarecrows over the seven day period of half term.

Please enjoy the scarecrows safely and respectfully. Follow the Governments advice on social distancing.

If you complete the scavenger, we would like you to email us your favourite scarecrow in each of the following three categories:

1. Best overall scarecrow.
2. Funniest scarecrow.
3. Most heroic scarecrow.

The scarecrows getting the most votes will be the winners.

We will present prizes to the three winners at the end of February and we will display as many of your entries as we can on our facebook and twitter pages.

We look forward to seeing your scarecrows appearing in Swaffham soon!

Hope you can make sense of that. Please get in touch if you need more info or clarification.
