Dear Cllr Colman

**Re: Section 53 of the Wildlife and Countryside Act 1981
Modification application for the upgrade of Swaffham Footpath no. 51 to a
Restricted Byway on the Definitive Map and Statement**

I refer to the application made by Dr Phil Wadey under the above Act for the upgrade of Swaffham FP51 to a restricted byway.

The County Council has decided to make an Order upgrading the claim route on the Definitive Map and Statement as a restricted byway. The Notice of Decision is enclosed together with an informative note outlining the reasons for our decision and a plan showing the route marked with a bold black line.

The relevant Order will be made in due course and any formal objections should be sent to the County Council at that time. However, if you wish to discuss this matter in the meantime, then please do not hesitate to contact this office.

Yours sincerely

Ian Sharman
