Subject: Breckland Local Plan Review Response for Breckland Meeting 28-10-2021
Attachments: Local Plan Paper Final 01.pdf

Dear Clerk,

Please find attached a paper responding to the proposed Local Plan Review. This has been prepared by a number of members of Parish Councils and Neighbourhood Plan groups across the district. As it stands, the Local Plan will be out of date for 3 years from 2024 - 2027 or until it is adopted. This will massively impact the whole district by leaving all our communities open to every kind of developer whim.

This paper has gone to the Breckland Council's Overview & Scrutiny committee to ask them to vote in favour of urging Cabinet to reconsider its decision and request from officers a substantial reduction to the excessive timeframe proposed for this review.

The meeting is in the Anglia Room at Breckland Offices and starts at 10am. It is a meeting in public so any of us can, and a number of us will be present and intend to speak. It will also be live-streamed from 10am on Breckland Council's Youtube page at <https://www.youtube.com/user/BrecklandView/videos>

Regards
Maggie Oechsle
