Good afternoon Richard,

Further to the meeting that took place yesterday, we are looking to progress the work around digital signs. I have attached the slides from the presentation which contain information about this project.

It would be useful to book a Teams meeting in with yourself and Andrew to discuss any questions, requirements and to make a start on discussing potential sites.

Let me know if you agree and would have the time to meet over the next two weeks and I can get something set up. We are aiming to start the first stage of procurement by the end of June with a company coming to assess a number of longlisted sites for us and provide recommendations on their suitability.

Many thanks  
Jack
