Subject: RE: 2021/22 - provision of advice and support for Swaffham TC

Dear Russell,

Thank you for your e-mail of 28th April, I can confirm that the NALC membership issue was discussed at the Council's meeting last Wednesday. The matter was deferred until our June Full Council meeting and subsequently I have been served notice by the required number of Councillors to place the item back on the agenda in June in line with our standing orders under the 6-month rule, as a decision had been made previously not to renew the membership with NALC for 2021-22. It is on the agenda for further discussion/re-consideration, it is by no means certain that the decision will be reversed.

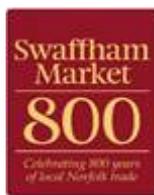

It is appreciated that you have made an effort to reduce our membership fee for this year to £629.00, by comparison Norfolk Parishes Training and Support have a maximum price of £500.00 for a similar service. So, can you please explain/justify the additional £129.00 or consider a further reduction to £500.00

Your comments are also welcomed regarding the subscription in future years, or are we facing the same predicament next year at this time and beyond? In the debate last week, whilst there was appreciation for the effort made to reduce the members subscription, the other line of thought expressed was that perhaps NALC had overcharged in previous years. So, this item as you can imagine is delicately poised for further discussion on 9th June.

I look forward to receiving your response in due course.

Best regards,

Richard Bishop

Subject: 2021/22 - provision of advice and support for Swaffham TC

Dear Richard and Jill,

We much appreciated our conversation with you both last week over your concerns about renewing the Council's subscription with Norfolk ALC/ National ALC.

Gabbie and I have talked since, and we would like the council to be offered a final opportunity to remain with us, at a reduced cost £629, for which the council would obtain the support of our team, and of National ALC, in providing:

- Prompt and well researched responses to queries, with quality advice and support to clerks and councillors
- Up to date and varied training and development opportunities for clerks, councillors and staff
- A regular and varied programme of events of topical interest, covering many topics
- Weekly chairperson networking sessions and fortnightly clerk café cluster events
- Regular newsletters and bulletins
- Lobbying on behalf of subscriber councils on key matters of concern to us in Norfolk, both with key stakeholders in the county and also with central government
- Quality advice on law, procedure and good practice
- Access to highly regarded topic specialists and experts, both locally and nationally
- Support for performance improvement, including the Local Council Award Scheme
- Access to and advice on funding opportunities
- Access to the **National Association of Local Councils** (nalc.gov.uk)

As you know, we represent the interests of the large majority of the councils across Norfolk, whilst working in partnership with the National Association of Local Councils, other county associations and SLCC locally/nationally.

As a co-operative organisation now owned by our member councils, we are also now being additionally supported by our Board of Directors.

Speak soon.

Kind regards
Russell
