Subject: Virtual Meeting

Good morning all, and I wish you all a very happy New Year!

With all the restrictions associated with the Pandemic we have not been able to meet up in the traditional sense. I know many of you are now utilising Zoom for Parish and Town Council Meetings as well as other group meetings. Unfortunately, due to some security concerns around using Zoom on our Police computer systems we are not usually permitted to use Zoom and so, despite your very kind offers of invite to your meetings I have had to unfortunately decline. However, I have been granted access to a stand-alone laptop for a short period of time – **Monday 18th January – Wednesday 27th January 2021** and I would therefore like to offer you all the opportunity to either set up a Zoom meeting where we can virtually meet up and have a chat, or for the Clerks receiving this email – if any of your Parish Councils have a meeting scheduled during this period, I would be very happy to join to answer any questions your council or the attendees may have.

If you could get back to me soonest if this is something you would be interested in that would be very much appreciated.

Very kind regards

Paula
