Dear Richard,

I hope you are well. I was writing with an update on progress at our site in Swaffham.

Following our previous meeting, I am now writing to update you on the lighting, which we agreed the Town Council would review before we submitted our application to Breckland Council to discharge the condition. This is particularly pertinent as it is our understanding that the Town Council would be adopting the lighting which would otherwise be adopted by the Council. The street lighting can be accessed from this link as the plans are too large to email: <https://we.tl/t-D2OdKycobF>

I know you have also had emails from our Engineers, WBP, regarding bus shelters. I am sorry we did not get the bus shelter options to you sooner. I have attached two photographs and would ask that the Town Council select which shelter they would prefer.

Finally, in previous meetings we have discussed an information board to commemorate Monkspath and the PROW. We would welcome suggestions from the Town Council for the information board.

I look forward to hearing from you shortly.

Kind regards
Rachael
