Dear Colleague

CPRE Norfolk Awards 2021

For information and wider circulation.

I'm writing to say that the CPRE Norfolk Awards 2021 are open until May 28th 2021 for nominations - so there is still time to enter!

The Awards celebrate projects which enhance the countryside and landscape or improve the sustainability of rural life in Norfolk.

A wide variety of projects will be recognised: buildings that sit well in the local landscape; green schemes to reduce energy, carbon or waste in local communities; local efforts to restore habitats for wildlife or bring people into contact with nature; businesses that are committed to revival and conservation to make local settlements great places to live.

The Awards are open to local groups, parish councils, schools, local authorities and businesses for schemes that are making a difference for the countryside in Norfolk (landscape, biodiversity and rural life). We are particularly keen to recognise projects that encourage young people and families to get involved. Winning projects will be celebrated at our awards evening in September.

We are CPRE Norfolk www.cprenorfolk.org.uk, the countryside charity (charity 210706), working for a countryside that's rich in nature, accessible to everyone, which enriches all our lives and enables us to respond to the climate emergency.

The CPRE Norfolk Awards entry categories are:

1. Rural living (for projects that improve the sustainability of rural living such as reducing energy, carbon, water use etc.)
2. Countryside Champions (for projects that enhance wildlife, landscape or improve countryside access)
3. digging deep (for businesses, local authorities and parish councils that are putting something back to benefit the environment or landscape)
4. Good lighting design (to recognise schemes which keep light pollution impacts to a minimum in the rural countryside). This category is not competitive.

It would be great if you could please pass on details to encourage entries (or maybe you have a project of your own that could be put forward!).

I'm attaching the entry form and leaflet about the awards and there is more information on our website www.cprenorfolk.org.uk/awards-2021

If you have any queries, please get in touch - info@cprenorfolk.org.uk

The closing date is 28th May 2021

Our awards have been generously sponsored by Brunswick Investment Management.
