Thanks Shaun, I'm now happy with everything on Phase 4. We just await Swaffham Town Council's acceptance and approval to the lighting design.

I have copied my street lighting team in to chase their previous email (copy attached).

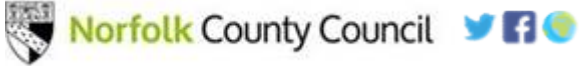

Kind regards

Hi Jonathan

Please see attached amended S38 Layout Plan. Comments as follows:-

- 1) We acknowledge that you are happy with the street lighting design and are awaiting Swaffham Town Council decision and approval of design.
- 2) Gully connections and Phase 4/5 boundary amended. Awaiting Anglian Water S104 response for both Phase 4 and 5 following re-submission as per initial technical vetting comments.
- 3) Pedestrian crossing relocated.

I trust the above is satisfactory and approved in principle, just awaiting street lighting and S104 approval.

Regards,

Shaun Clarke
