Subject: comm centre lines

Hi Richard

A couple of things from this morning.

- 1) We have refreshed your parking spaces in front of community centre.
- 2) All our lines are done along Beech close bar a very short section which had cars parked on it at the time. We have reminded our contractors to return to site to finish off.
- 3) When they return to do the finishing of the double yellow lines I have asked them if they can refresh the community centre car park as requested. This will be chargeable to comm centre. Do you have a contact please? I'd like confirmation from them that they are prepared to pay for these to be refreshed.

Kind regards, David
