4 London Street

Swaffham, PE37 7DQ

Dear Sir/Madam

I would like to draw your attention to traffic problems in The Pightle, Swaffham. The Pightle is a cul-de-sac with no available turning space for vehicles. This results in:

1. Vehicles using private drives to turn – this has resulted in damage to my drive and drains which has been costly to repair.
2. Attempts to prevent vehicles turning in the drive (removable parking post) resulted in further costly damage when post was destroyed and drive surface damaged by a turning vehicle.
3. Cars parking in The Pightle often restrict access to my the drive and have, in the past, limited ambulance access to properties further up The Pightle.
4. Cars parked outside my property have caused damage to the garden, to planters, to the the drains, and deny my access to attend to my garden.

It would seem that improved signage is necessary to warn motorists of the problem.

I would be grateful if you could give this issue some attention.

Yours sincerely
