**RE: FREEDOM OF INFORMATION REQUEST**

Dear Sir

Further to the planning applications and invested interest Swaffham Town Council has at Days Field, I understand from visiting Land Registry, there is a ransom strip of land within the prospective site plan; please can you confirm the names of any other land holders or family trusts you are dealing with at this time regarding the potential construction project. This should not be covered by GDPR and should be out in the open for the public to know.

I believe there may be a conflict of interest / invested interest which has not been declared, as yet, by a staff member for the Swaffham Town Council and I am seeking clarification as this is in the invested interest of ALL Swaffham residents.

Yours sincerely

Kelly Alford
