Hi Jill

Thanks, I will bring this up at the next Market and events committee. It would be lovely to have some music but we need to make sure that people don't congregate. Providing entertainment may encourage a gathering, but at some point we can hopefully have something.

Regards

Hi Claire  
Ian Clews has responded to the suggestion that we might want entertainment on the Buttercross on a Sat I'll hope to find out if he will be busker type or is payment, I know he does it for charity  
Could you explore what people want please  
Thanks  
Jill

Hi Jill: I wasn't really thinking about any kind of payment as the fun of it at the moment would be my reward (lol).

All my kit for pubs and parties etc indoors is battery powered. My heavy duty outdoor kit includes 2 speakers and a mains powered amplifier but I think that the battery kit would be ok.

I've been concentrating on house repairs etc during lockdown but I have lots of songs and will need to get rehearsing again. Two hours would be no problem if my shoulder doesn't play up.

Best wishes

Ian

Thank you Ian , that would be great, I was going to contact you anyway

What would be your fee for a couple of hours on the Buttercross, how does it work?

Best wishes

Jill

Hello Jill:

I read your piece in July's edition of the Swaffham Newsletter with interest. Like everyone else the Covid lockdown has changed many things in our lives. For me 2020 so far has meant the cancellation of many bookings for Señor Momento - VE and VJ days to name just a few.

I would be interested if new rules later on permitted outside entertainment at the Buttercross. Thanks for everything you and the council are doing for the community.

Best wishes

Ian Clews
