Subject: submission for an archaeology excavation on Campingland

Dear Richard

Please find attached a submission for permission to carry out a Dig on Campingland. You will note that the land will made good on completion of the dig which we propose would be in Summer 2022.

I would be very grateful if the Town Council would consider the proposal and allow the Dig to proceed. I have already been in talks with an archaeologist who has recently been working in the town.

Many thanks

Sue
