Dear Swaffham,

You have received the following message from **tony.exley@space-engineering.co.uk**

Hi, I'm Tony Exley, Chairman at Swaffham Cricket Club. As a sports club within Swaffham I believe this is the first time we have actually written to the town council, asking for some support? We have recently received a grant to upgrade our facilities within the club, to secure our future as an essential part of Swaffhams history. Further to this we are "reaching out" to see if there is any potential grants or sponsorship to help us to keep the facilities as they should be, and try to deter any more vandalism at our home ground (on the Myers playing field). As part of the plan, we are fitting some cameras at the ground, but further to this, we would like to start fencing off the field to give us a secure place for girls, boys, men and woman to join our club and be part of our "family", this has always been our aim first and foremost. Is there anything you can do to help with the fencing project, or maybe help towards the

disabled toilet we are building, or even the loft insulation we are trying to fund? Any help would be a massive help. Thanks, Tony.
