Subject: Re: Tree/s on Campingland

Wonderful idea Shirley.

We have planted recently on Campingland and we're discussing finishing off the row. There are lots of Free trees around for organisations, which the MU might be interested in.

Many thanks

Kind regards

Judy

HELLO TO YOU ALL,

The Mothers' Union Chairman has asked me to enquire if it would be possible for them to plant a tree somewhere in Swaffham to celebrate an Anniversary (I think it is the 120th) of their branch here in Swaffham. She is fairly new to the town but has been told that someone thought one had been planted on Campingland in the past but no-one can verify the fact absolutely but if that is correct, they would like for their present planting to be in the same place obviously.

What is the thinking please? I am sure we are not against planting a tree as such but the positioning of it is a first step toward the delivery of their project. I will be pleased to hear from you - and our next meeting at MU is 10th March if that is a date you could possibly decide by - or does it have to go before Open Spaces?

Many thanks for your attention to this with so much else going on!!!!

Shirley
