

# Invitation

to a Parish Paths Seminar

29th May 2019

2pm to 4pm

The Atrium, North Walsham High School, Spenser  
Avenue, North Walsham, NR28 9HZ

- Our seminar is for local parishes in north Norfolk and will explore how communities can play a greater role in caring for their local rights of way.
- As custodians of village life and rural values, local people and parish and town councils are uniquely placed to decide what needs to be done in order to make their rights of way easy to use and enjoyable.
- The seminar will explore how these local resources and skills can be harnessed to complement the work of Norfolk County Council as highway authority with a duty to assert and protect the rights of the public to the use and enjoyment of all highways for which it is responsible.
- The seminar has been organised by the Norfolk Local Access Forum, a statutory body set up by Norfolk County Council under the Countryside and Rights of Way Act 2000. The Forum's role is to advise on the improvement of public access to Norfolk's varied and beautiful landscape for the purposes of open-air recreation and enjoyment.

To reserve a place at the seminar, please complete the booking form and return to [nlaf@norfolk.gov.uk](mailto:nlaf@norfolk.gov.uk).
