Subject: FOR ACTION - Litter pick query

Hi Richard,

We had the following request on via the website.

Wonder If the Transport Committee would like to debate the potential of starting/managing a litter pick group?

Any thoughts?

Kind Regards, stay safe

Hannah

Dear Swaffham,

You have received the following message from [REDACTED]

Good afternoon Madam Mayor & Town Councillors, thank you for the most recent edition of the newsletter and making it available in the town whilst volunteers (like myself) are unable to deliver to the door. I notice in the newsletter the issues of both duck & dog poo are mentioned but I wonder whether the litter waste left behind by humans might soon be addressed. Are there any plans for a town litter pick once restrictions lift? The Brandon Road is particularly bad but of course that's not necessarily residents of Swaffham but could be motorists throwing litter out of their car windows as they pass through. It would be good to see Swaffham looking pristine in time for this summer when we're all let out again. Regards
Diane Stoner Sedge Road, Swan's Nest
