

Recycle Bins - Town Hall – proposal

Background

Currently at the Town Hall there is a household waste bin – picked up weekly by Veolia. This is a general waste bin taking everything - food waste, cardboard, glass, paper plastic etc.

There are currently no facilities to recycle waste: it is acknowledged that there is scope to recycle the following items: -

- plastic bottles (milk etc)
- paper (not confidential)
- cardboard (from deliveries)

Aim

To review cost for a recycle bin at the Town Hall for a monthly collection - monthly as it is non-perishable items.
