Dear Swaffham,

You have received the following message from 

Hi Who do I speak to regarding pathways? I'd like to request a dog bin and a rubbish bin be put up in a couple of locations as otherwise it's being left on the ground. I keep cleaning it up but it's not really my job to do so. One location for a human rubbish bin is the walkway path behind my house at Sandringham way, I keep clearing a lot of rubbish but without a bin people just throw it on the ground. Also there is a lot of weeds that over grow. Again I trimmed these back but they really need spraying. The other location for a dog bin is on the new Abel housing estate as people are leaving dog mess in plastic bags on the ground due to no bin. Hoping you can help Claire
