Hi Richard

I am currently applying for the TWA Digitisation Grant 2019.

<https://www.townswebarchiving.com/twa-digitisation-grant/>

I doubt it we will get it as there are only 2 available but it's worth a try and concentrates the mind on what we want to do

One of the questions is do we have any match funding?

Is there any money from the TC that could go to this?

The entry has to be in by 28 July

Thanks

Sue
