Subject: Anglia in Bloom

Hi Richard,

At a recent Icen Partnership meeting Anglia in Bloom was discussed and it was decided that the Partnership would no longer support AIB either financially or through officer time.

This was based on several good reasons that were fully debated. As you are aware the Town Team took over the stewardship in 2018 of AIB but with assistance from STC and the Icen Partnership.

I understand the Town Team are currently looking at a Best Garden Competition or something similar that is more Swaffham specific.

Best Wishes
