

Market Superintendent Report

Alan Roberts has decided to take a break for now.

We have had two casuals so far, namely Katie Milner as Thirty6Scents who has attended twice, and Tonie and Lee Richards as Norfolk Hampers who attended on 11 March & have said they will attend on four more dates. Swaffham Rotary also attended, raising money for earthquake victims in Turkey and Syria.

On 25 March we have Amie Miller starting with her catering stall, Good 2 Go. Barry Milton will also be starting with his pet stall, Mucky Mabel's Pet Store. Norfolk Chilli Farm start in April and the Swaffham Flexibus and Swaffham Lions Club both want to attend to raise awareness of what they offer.

The Council are increasing rents by 5% from April 1. All traders have been emailed this information and how it affects them. Casual rates go up from £16 to £17 for the first 10 feet with each foot thereafter staying at £1. Gazebos will be £8.50 to hire. Earl Ratcliffe and his son have watched the training video so can help with the gazebos.
