

Section 3 – External Auditor’s Report and Certificate 2023/24

In respect of **SWAFFHAM TOWN COUNCIL – NO0442**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2023/24

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 1 has been incorrectly completed. Information received from the internal auditor highlights that there have been significant weaknesses in budget monitoring leading to the smaller authority going into overdraft on its current account during the year when budgeted income did not materialise and corrective action was not taken. Reserves remain very low at the year end. As a result, this Assertion should have been answered ‘No’. This is consistent with the Internal Auditor’s response to Internal Control Objective D. We understand that the smaller authority has addressed this issue subsequently in the budget setting for 2024/25 and the introduction of new budget monitoring procedures.

Information has come to our attention from the internal auditor highlighting the fact that the Notice of conclusion of audit for 2022/23 was not published on the authority’s website by the dates specified in the Accounts and Audit Regulations 2015.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2024/25 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2024/25 and ensure that it makes proper provision for the exercise of public rights during 2025/26.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
